Dear David,

Thank you for your recent letter bringing us up to date on the negotiations for an Arms Trade Treaty. As you know UNA-UK strongly supports the government's objectives in this respect.

On the explicit points you raise:

(i) UNA-UK's ATT Champion, and our point of contact, will be Tim Kellow, Head of UNA-UK's Peace & Security Programme. We have notified Keith Harding as requested.

(ii) We will continue to promote an ATT through our UK-wide network of members, our youth and student groups and young professionals network, and through UNA-UK's flagship magazine, *New World*.

(iii) We will use our membership of the World Federation of UN Associations (WFUNA) to promote global support for an ATT (the next opportunity will be at its plenary assembly in Seoul in August of this year).

We would always be prepared to consider joining the FCO in any conference or symposium which you might have in mind to organise.

Chair, UNA-UK
