THE PRIME MINISTER

Dear Jeremy,

Thank you for your letter of 15 September.

I am grateful for the important work that the United Nations Association of the United Kingdom continues to do.

As we celebrate the 70th anniversary of the UN, it is right that we both celebrate its huge achievements and recognise the challenges it faces, including in seeking to uphold the rules-based global order. The UK is committed to upholding this system which continues to serve our interests and guarantee our security.

I have asked officials at the Foreign and Commonwealth Office to respond substantively to the points you raise in your letter.

*Yours,
David*

Sir Jeremy Greenstock GCMG
